

More Insights To Our Projects

- 1.Land survey at existing LC locations, Subsoil investigation, GAD preparation and preparation of Detailed Estimate for proposed construction of ROB/ RUB in lieu of existing level crossing of Trivandrum Division of Southern Railway in Kerala state (inclusive of both Railway span and approaches) (Client: Kerala Rail Development Corporation Ltd.)
- 2.Quality and Safety Audit Consultancy for Sahnewal – Khurja Section with Khurja - Dadri link of Eastern Dedicated Freight Corridor- World Bank funded (Client: Dedicated Freight Corridor Corporation of India Limited).
3. Consultancy services for preparation of DPR & technical specifications for Rail take-off and Rail Yard layout plan near Bikrampur on Jabalpur - Itarsi section of West Central Railway including marshalling facilities for 2 x 660 MW Super Thermal Power Project at MP. (WCR) (Client: M/s. Today Energy (M.P) Pvt. Ltd.)
- 4.Consultancy services for preparation of Feasibility study for Railway siding for Banai & Bhalumuda Coal block (Client: National Thermal Power Corporation Ltd.,)
- 5.Consultancy Services for Preparation of DPR & Detailed Engineering of Railway siding for linking Talaipalli Coal Mining Block with Kotarlia Railway Station. (Client: National Thermal Power Corporation Ltd.).
- 6.Consultancy Services for preparation of DPR for Railway siding taking off from PILOL Station near Vadodara, western Railway (Client: Hindustan Petroleum Corporation Ltd.).
- 7.Detailed Project Report & Detailed engineering in connection with the proposed Railway track/siding for coal/non-coal transportation system for Nabinagar Super Thermal Power Project, (3x660 MW) of Nabinagar Power Generating Company Ltd. in Bihar State (Client: M/s IRCON International Ltd.)
- 8.Consultancy Services for DPR and Detailed Engineering in connection with the proposed railway track / siding for coal / non - coal transportation system for Solapur Super Thermal Power Project (2x660 MW) of NTPC Ltd. in the State of Maharashtra. (Client: IRCON International Ltd.)
- 9.Consultancy Services for preparation of Feasibility Report (FR), Detailed Project Report (DPR) and Detailed Engineering for interconnection of Sipat STPP & Korba STPP MGR (Client: National Thermal Power Corporation Ltd.,)

10.Consultancy Services for preparation of DPR and detailed Engineering for Augmentation of Railway siding and MGR system for Vindhyachal Super Thermal Power Station. (ECR) (Client: National Thermal Power Corporation Ltd..)

11.Consultancy Services for preparation of DPR and detailed Engineering for Augmentation of Rail siding and MGR system for Rihand STPP Stage-III (2 x 500 MW). (ECR) (Client: National Thermal Power Corporation Ltd..).

12.Consultancy Services for preparation of DPR and Detailed Engineering for creation of rail infrastructure for coal transportation and linking the Punarakh Railway Station/Existing Indian Railway facilities with the Barh Project. (ECR) (Client: National Thermal Power Corporation Ltd.)

13.Consultancy Services for Preparation of DPR & Detailed Engineering of 'Railway Siding Phase-M' (Thermal Power Plant) at Mirzapur. (Client: M/s Welspun Energy Ltd.)

14.Consultancy Services Package for Feasibility Study for Railway Siding System for Khargone Thermal Power Project- (2 x 660 MW) (Client: National Thermal Power Corporation Ltd.)

15.Consultancy Services for feasibility study, Detailed Engineering and DPR for additions & alterations of the BG Railway Track for the parking of new Rake at site siding for AALL Moga. (Client: M/s Adani Agri Logistics Ltd.)

16.Feasibility study cum preliminary Engineering survey including topographic details and preparation of plan of section-7 for dedicated multimodel high axle load freight corridor on Delhi-Howrah route between Sarai Bhopat (including) to Chamrola (excluding) (Client : RITES Ltd.)

17.Consultancy for detailed engineering and project management for providing a railway siding at Namli on Ratlam-Chittorgarh section of Western Railway. (WR) (Client: National Thermal Power Corporation Ltd.)

18.Topographical survey and report submission of 2 x 660 MW Proposed Meja Thermal Power Project, Distt. Allahabad. (NCR) (Client: National Thermal Power Corporation Ltd.)

19.Consultancy Services for Railway Siding layout Extension Unit 3 & 4 at Sikka TPS. (WR). (Client: Gujarat State Electricity Corporation Ltd.)

20.Topographic Survey of New Delhi Railway Yard with Total Station in Connection with redevelopment of New Delhi Railway Station as World Class Station. (NR) (Client: Northern Railway)

21.Consultancy Services for Survey Preparation of Drawings Longitudinal Section & BOQ for alternate alignment for the railway siding of 4 x 600 MW Power Plant (Client: M/s. Sterlite Energy Ltd.)

22.Proposed Multi - model Logistics - Cum - Feasibility study for Transportation of coal from Captive Mines of BALCO to the Captive Power Plant at Korba (M/s. BALCO)

23.Pre - feasibility studies for the railway line from Jambusar to proposed site at village Nada / Devla Distt. Bharuch. (WR) (Client: M/s. Sterlite Energy Ltd.)

24.Preliminary Engineering Survey for Dedicated Multi Modal High Axle Load Corridor on Delhi-Mumbai JNPT routes for the section between Lakheri (incl) and Mathura (excl) – 250 km (Client : RITES Ltd.)

25.Consultancy services for preparation of detailed project report and detailed design for proposed rail siding for PSEB, Talwandi Sabo Thermal Power Plant. (NR) (Client: M/s. Premco Rail Engineers Ltd.)

26.Consultancy services for preparation of Feasibility Report for Augmentation of Railway siding for Stage M2x250MWatKanti. (ECR) (Client: Kanti Bijlee Utpadan Nigam Ltd.)

27.Consultancy services for survey, preparation of Drawings, Longitudinal Section & BOQ for the extra length of 5 Kms (Approx) due to change in take off point I of the railway siding of Sterlite Energy Ltd. at Jharsuguda. (ECoR) (Vedanta Alumina Ltd.)

28. Consultancy services for Detailed Design, tendering, Survey, Planning and Construction Supervision of Rail Infrastructure for Development of Deep Draught Iron Ore Berth & Coal Berth on BOT basis of Paradip Port (ECoR) (Client: M/s Consulting Engineering Services (India) Pvt. Ltd.,)

29.Consultancy Services for Detailed Survey and Preparation of DPR for dedicated Merry-go-round railway track for transporting 4 MTPA of Coal from captive Taraimar Mines to CPP - III of BALCO near Korba. (SECR) (Client: M/s. Bharat Aluminium Company (BALCO) Ltd.)

29.Preliminary Engineering Survey for Dedicated Multi Modal High Axle Load Corridor on Delhi-Howrah Rajdhani route for the section between Gazaiyabad (excl). to Etwaha (excl) – 280km (Client : RITES Ltd.)

30.Feasibility study for 20 Bus Rapid Transfer (BRT) and Light Railway Transfer (LRT) corridors for NCR capital region under the auspices of DIMMTS.

31. Feasibility study and preparation of DPR for railway siding for setting up loading terminal for imported coal for dispatch to various destinations of Indian Railways. (WR) (Client: M/s. Essar Engineering Services Ltd.)
32. Consultancy services for Feasibility study for Gajmara Super thermal Power Project (2 x 800 MW) Bidding Document No. CS/9566/714 G - 9. (ECoR) (Client: National Thermal Power Corporation Ltd.)
33. Project Management Consultancy for “Construction of New B.G. Railway line from Obulavaripale to Krishnapatnam – Phase I Works (Client : Rail Vikas Nigam Limited)
34. Project Management Services for Railway siding for proposed Aluminium Refinery at Singaram station Koraput Raigarh section of East Coast Railway for Aditya Birla Bhubaneswar. (ECoR) (Client: M/s. Aditya Aluminium).
35. Consultancy Services for Railway Siding System for Provision of MGR and railway siding with connectivity to Indian Railway system for Talaipali and Dulanga coal mines (in Odisha) with Lara and Darlipali power plants in Sundargarh district, Odisha (Client: National Thermal Power Corporation Ltd.).
36. Consultancy services for Providing rail connection for three numbers Inland Container Depots (ICDs) at Asaoti on Northern Railway (Clients: M/s. Inland Conware Pvt Ltd)
37. Consultancy services for Providing rail connection for 2 nos Bulk Food Grain loading Depot (Client : M/s Adani Agri Logistics Ltd.)
38. Consultancy Services for Railway Siding for Coal Transportation Facility and associated EIA Study for Coal Based 2 x 300 MW / Avantha Bhandar Power Plant of KWPCCL, 98 Kalindi Kunj near Kabir Chowk in front of FCI Raigarh (CG). (SECR) (Client: Korba West Power Company Ltd.)
39. Consultancy Services for Annupur Railway Siding Ph-II (Thermal TPP) (Client: M/s Welspun Energy Annupur Pvt. Ltd.)
40. Consultancy Services of Survey for Rail Traffic Movement for extension of 800 MW coal based power plant Unit No. 8 at WTPS at Wanakbori, Distt. Kheda. (WR) (Client: Gujarat State Electricity Corporation Ltd.,)
41. Consultancy Services for railway siding for coal transportation facility and associated EIA study for coal based 2 x (600 + 20%) MW Jhabua Power Plant near Seoni Distt. (M.P). (SECR) (Client: Jhabua Power Ltd., Avantha Power & Infrastructures Ltd.)

42.Consultancy Service for Railway siding for Coal Transportation for Amravati Thermal Power Project. (CR) (Client: M/s. Indiabulls Power Ltd.)

43.Consultancy services for Railway siding for proposed ICD at Samalkha (Client: M/s. Rajani Associates)

44.Consultancy services for Bihta Railway Siding. (ECR) (Client: Hindustan Petroleum Corporation Ltd.).

45.Consultancy for Railway siding for Abhinav Steels from Nibhapur Railway Station to Project site at Sathariya Distt. Jaunpur (U.P). (NR) (Client: M/s. Abhinav Steels Pvt. Ltd.)

46.Consultancy for Providing Rail Connectivity from all weather earth in EBTL area at Hazira and obtaining in principle approval for proposed rail connectivity between EBTL - Jetty, Kawas Junction and Indian Railway network at Gothangaon / Kosad Stations. (WR) (Client: M/s. Essar Bulk Terminals Ltd.).

47.Consultancy Services for Construction of railway siding work at Rajpura & Construction of 10MTPA Rail Corridor for TATA Steel, Jamshedpur . (Client: L&T Construction Infrastructure)

48.Establishment of Vertical Control (Temporary Bench Marks) along proposed Alignment for Sec-2 from Jharsuguda to Bhusawal via Wardha -Badnera on East West (Howrah - Mumbai) Dedicated Freight Corridor. (Client: RITES Ltd.)

49.Operation and maintenance of Railway infrastructure which includes permanent way, bridges, signalling and interlocking installations, rolling stock and locos for large public sector undertakings (Clients : NALCO at Angul, Paradip Port Trust, Dadri, Korba, & Talcher Super Thermal Power Plants of NTPC)

50.Consultancy services for Gauge Conversion Project of 65km long (MG to BG conversion) between Viramgam and Mahesana junction. (Client : Western Railway)

51.Project Management Services for Laying of 30km long railway siding taking off from Modpur station including R&D and Fuel loading lines on Rajkot Division of Western Railway (Client : M/s. ESSAR Oil Ltd at Jamnagar for their prestigious refinery project)

52.Environment Impact Assessment Studies, REIA studies, Disaster & Risk Management and Base Line Data Collection (Clients : NTPC, Rajasthan State Mineral and Minerals Ltd., Aditya Aluminium Larsent & Turbo Ltd., Sanghi Industries, EIL & RITES etc.)

Final Location Survey

53. Conducting Final location Survey/ detailed Engineering Construction Survey and allied works for New BG line between Khajuraho - Panna section as part of new BG rail line project between Lalitpur-Singhrauli (West Central Railway, Jabalpur),

54. Final location survey of Dedicated Freight Corridor alignment between Sarai Bhopat & Chamrola - 106 km (Client : RITES Ltd.)

55. Final Location Survey Projects for proposed third line between Aligarh-Ghaziabad and Palwal-Bhuteshwar both on NC Rly (Client : Rail Vikas Nigam Ltd.)

56. Final Location Survey for the arterial Rail Corridors for line nos. 143 including transfer of the final alignment of Metro Rail including Feasibility Survey for proposed Metro rail corridor between Rajori Garden to Adarsh Nagar (Client : Delhi Metro Rail Corporation Ltd.)

57. Consultancy services for Final Location Survey, Detailed Project Report, Detailed Engineering, Pre- Tendering services and seeking approval from Railways for the Railway siding for 1980 MW Talwandi Sabo Thermal Power Plant. (NR) (Client: M/s Talwandi Sabo Power Ltd.)

58. Pre-bid Services for the Development of New Rail Line between Central Railways and Konkan Railways from Chiplun to Karad; Tunnel portion 100 km Rail Line. (Client: M/s. Shapoorji Pallonji Road Pvt. Ltd.)
